

Health, Safety & Environment Policy

Power Infra Projects Contracting LLC is committed to prevention of injury & ill health, protecting health, welfare of its employees and others that may be affected by its operations and also minimize the impact of our activities on the environment. We believe that all accidents are preventable.

Power Infra will strive for continuous improvement of its HSE performance by the efficient management of HSE systems.

To achieve these objectives, Power Infra will:

- Provide safe equipment, safe living, and working place and health care for its employees.
- Keep its employees, subcontractors and others that perform work at its premises fully aware of hazards and safe work practices.
- Protect the environment from damage and pollution.
- Abide by the rules and regulations of UAE and of the Client to whom it serves.
- Allocate required resources and provide training to achieve its HSE objectives.
- Empower line management to fully implement this HSE Policy and hold all employees accountable for compliance with HSE regulations and standards.
- Encourage all its employees to report unsafe acts, practices and conditions and empower them to stop if safety is endangered.
